## PROVINCIAL SECRETARY.

## CIRCULAR.

DEPARTMENT OF THE SECRETARY OF STATE,  
OTTAWA, 21st May, 1894.

SIR,—I am directed to inform you that His Excellency the Governor-General has had under his consideration in Council, a despatch from Her Majesty's Principal Secretary of State for the Colonies, respecting, *inter alia*, the unauthorized issue of a passport by the Mayor of a certain Canadian City, and directing attention to the fact that the only person in the Dominion of Canada empowered to grant passports is the Governor-General, or the Administrator of the Government, as the case may be.

That this limitation of the authority to issue passports which will entitle the bearer to British protection, is not so well known as, in the interests of the public generally, is desirable, is sufficiently evident, from the occurrence which gave rise to the despatch above referred to, and from other occurrences of a similar character in the past, and I am, therefore, to request that your Government may be moved to take such steps as may seem best calculated to ensure it the desired publicity.

I am also to enclose a copy of the Report of this Department for the year 1893, which contains, at page 59, the general regulation approved by His Excellency the Governor-General in Council with respect to the issue of passports.

I have the honour to be, Sir,  
Your obedient servant,  
(Signed) L. A. CATELLIER,  
Under Secretary of State.

His Honour  
The Lieutenant-Governor of B. C.,  
Victoria, B. C.

## REGULATIONS RESPECTING PASSPORTS.

The following is a synopsis of the regulations respecting the issue of passports, adopted by order of His Excellency the Governor-General in Canada:—

1. Applications for passports must be made in writing and inclosed in a cover addressed to "The Honourable the Secretary of State, Ottawa, Ontario."

2. The charge for a passport, whatever number of persons may be named in it, is \$4.00. The fee payable must accompany the application. Postage stamps will not be received in payment.

3. Passports are granted only to British-born subjects, or to persons naturalized in the Dominion of Canada; they are not limited in point of time but are available for any time or for any number of journeys to foreign countries. When the party is a "naturalized British subject" he will be so designated in his passport.

4. Passports are granted to all persons either known to the Secretary of State or recommended to him by some person who is known to him; or upon the application of any chartered bank in the Dominion of Canada; or upon the production of a certificate of identity, which may be obtained at the department, signed by any mayor, magistrate, justice of the peace, minister of religion, physician, surgeon, solicitor or notary resident in the Dominion of Canada. In certain cases, the applicant's certificate of birth must be produced, in addition to the certificate of identity.

5. If the applicant for a passport be a naturalized British subject, his certificate of naturalization, with his signature subscribed to the oath printed on it, must be forwarded to the Department of the Secretary of State, with the certificate of identity granted in his behalf; and his certificate of naturalization will be returned with the passport to the person who may have granted the certificate of identity, in order that he may cause such naturalized British subject to sign the passport in his presence.

6. A passport cannot be issued by the Department of the Secretary of State on behalf of a person already abroad, such person should apply for one to the nearest British Mission or Consulate; a passport cannot be issued abroad to a colonial naturalized British subject, except for a direct journey to the United Kingdom or to the colony where he has been naturalized.

7. The bearer of every passport issued by the Department of the Secretary of State should sign his passport as soon as he receives it; without such signature either the *visa* may be refused, or the validity of the passport questioned abroad. Travellers who may have any intention of visiting the Russian Empire, the Turkish Dominions, or the Kingdom of Roumania at any time in the course of their travels, should first have their passports *visa* at the nearest Russian, Turkish or Roumanian consulate, as the case may be. The addresses in London of these consulates are respectively as follows:—The Russian Consulate, 17 Great Winchester Street, E. C.; the Consulate-General of the Sublime Porte, 7, Union Court, Old Broad Street; the Roumanian Consulate-General, 37, Old Jewry, E. C. Persons proposing to enter Germany by way of France should also have their passports *visa* at the German Embassy in London or Paris. Travellers about to proceed to any other country need not obtain the *visa* of the diplomatic or consular agents of such country, except as an additional precaution, which is recommended in the case of passports of an old date.

N. B.—Although British subjects are now free to enter Belgium, France, Holland, Italy, Denmark, Sweden and Norway without passports, and the rules about passports have been virtually relaxed in other countries, nevertheless colonial British subjects about to visit foreign countries are recommended not to omit to provide themselves with passports, for even in those countries where they are no longer obligatory, they are found to be convenient as offering a ready means of identification, and more particularly when letters have to be claimed at a *postes restante*. For residence in certain districts of Germany or Switzerland a passport is indispensable.

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by the preceding rule, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

## NANAIMO CITY BY-LAWS.

## A BY-LAW

*To authorize the raising, by way of loan, a sum of money not exceeding in the whole \$10,500, for the purpose of filling that portion of Commercial Inlet lying between Lot 1, in Block 60, and Lot 1, in Block 61, and the Odd Fellows' Block, situate on Lot 5, in Block 13, and for widening the roadway over said Commercial Inlet to a uniform width of 66 feet throughout.*

WHEREAS the present Commercial Street Bridge has been declared unsafe for general traffic, and it is deemed to be in the best interests of the City to replace it with a permanent earth-built roadway:

And whereas the present roadway is not of sufficient width to afford reasonable security from danger to persons driving or walking, it is considered necessary that this thoroughfare should be increased to at least 66 feet:

And whereas it is necessary in order to carry out the above improvements to issue debentures of the said City for a sum not exceeding \$10,500.00:

And whereas it will require the sum of \$1,155.00 to be raised annually by a special rate for the payment of the debt intended to be hereby created, and the interest thereon:

And whereas the amount of the whole ratable property of the said City, according to the last revised Assessment Roll, is \$1,694,170.00:

And whereas the total amount of the existing debt of the said City is \$78,000.00:

And whereas it will require an annual special rate of seven-tenths of one mill on the dollar for paying the interest and creating an equal yearly sinking fund for paying the principal of the intended debt, according to the "Municipal Act, 1892:"

Be it therefore enacted by the Mayor and Council of the Corporation of the City of Nanaimo as follows:—

1. That it shall be lawful for the Mayor of the City to raise, or cause to be raised, by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of the debentures hereinafter mentioned, a sum of money not exceeding in the whole \$10,500.00, and cause the same to be paid into the hands of the Treasurer of the said Corporation for the purpose of the object above recited.

2. That it shall be lawful for the said Mayor to cause any number of debentures to be made for such sums of money as may be required, not less than \$500 each, and that the said debentures shall be sealed with the seal of the said Corporation of the City of Nanaimo, and be signed by the said Mayor, and countersigned by the City Clerk.

3. That the said debentures shall be made payable in 20 years at furthest from the day hereinafter mentioned for this by-law to take effect, at the office of the City Clerk of the Corporation of the City of Nanaimo, and shall have attached to them coupons for payment of the interest.

4. The said debentures shall bear interest at the rate of not more than six per centum per annum from the date thereof, which interest shall be payable half-yearly on the first days of January and July in each and every year.

5. For the purpose of forming a sinking fund for the payment of said intended debt, and the interest thereon, an equal annual special rate of seven-tenths of one mill in the dollar shall be levied and collected, in addition to all other rates, in each year upon all the ratable property in the said City during the currency of the said debentures, or any of them.

6. It shall be lawful for the said Corporation to redeem any or all of the said debentures at par at any time after the expiration of five years from the date thereof, upon giving six calendar months' notice to the holders thereof, which notice shall be published in the British Columbia Gazette, and after the expiration of the said six months all interest on the said debentures, the numbers of which have been published as aforesaid, shall cease.

7. This by-law, before the final passing thereof, shall receive the assent of the electors of the City of Nanaimo, in the manner provided in the "Municipal Act, 1892," and shall take effect and come into force on the 15th November, 1894.

8. This by-law may be cited for all purposes as the "Commercial Street Filling By-law, 1894."

Received the assent of the ratepayers of the Municipality on the 12th November, 1894.

Reconsidered and finally passed by the Municipal Council on the 12th November, 1894.
